- have lived in or regularly work in Randwick, Woollahra, City of Sydney and Waverley Local Government Areas (LGA) in the last 14 days unless providing essential caring functions
- have been to any of the current locations of interest in New Zealand
- have been to any close or casual contact locations in Queensland in the last 14 days
- have been in Greater Melbourne or Victorian places of high concern in the last 14 days
- have COVID-19 symptoms - fever (37. 5°C or higher) or symptoms of COVID-19
- are a close contact of a person with confirmed COVID-19 and are within their self-isolation period
- live in a household with a person who is currently self-isolating
- are waiting for a COVID-19 test result
- have not received a dose of the 2021 influenza vaccine, unless they meet the criteria under the exceptional and special circumstances. The flu vaccination requirement applies to all visitors aged 6 months and over.

Residents are discouraged from leaving the facility to attend gatherings or public venues, and must wear a surgical mask if possible. They should not enter Randwick LGA, Woollahra LGA, City of Sydney_LGA and Waverley LGA, except for essential reasons.

We encourage you to reach out to the staff of our Homes, and thank you for your patience, understanding and cooperation.
